**INITIAL USE**

Twist the bottom case cover clockwise to open. Take away the insulation sheet before use.

**BATTERY INSTALLATION**

Twist the bottom case cover clockwise to open. Place batteries as shown in fig.

To replace batteries, use the magnet on the bottom case cover to extract the batteries out.

**MOUNTING**

Attach strap to one bracket hook.
Pull strap over the post and attach to hook.
Place light on bracket, twist clockwise into the groove.

**OPERATION**

1. Press to power on.
2. Press to choose modes in cycle.
3. Press 1 sec to power off.

**AUTO SAFE MODE**

To preserve battery when power is low, the light will enter low output flashing mode for 1hr. Safe mode cannot be override. Replace the batteries for maximum performance.

**WARNING**

* Understand country lighting laws and regulations before use,
* Do not shine directly in the eyes,
* Do not submerge the battery or the whole light into water,
* Do not dismantle the light which will void warranty,
* Do not leave the light on and unattended,
* Keep the light away from fire and combustible materials,

**WARRANTY**

MOON Lights are covered by a ONE YEAR LIMITED WARRANTY from the date of purchase is free from defects in material and workmanship. This warranty does not apply to damage due to heat, physical damage resulting from abuse, neglect, improper repair, improper fit, or alterations of the fixture.
